

Work. Live. Play.

Copper Basin District

The Copper Valley has been called authentic Alaska; flanked by mountain ranges, raging rivers, glacial lakes, log cabins, abandoned copper mines, and historic Alaska Native villages. The area is a mecca for fishing, hunting, gardening, and farming. It is quiet, away from the hustle and bustle of big cities, but only a couple of hours, via highway, to the Mat-Su Valley and all big city conveniences.

Community Resources

The Copper Basin is a wonderful place to call home, with a K-12 public and home school educational system as well as a community college (satellite), healthcare clinics, banking, local grocery, gas, US Postal Service, a Chamber of Commerce, churches, libraries, a fitness center, restaurants, shopping, and many youth clubs and community groups and support organizations.
