

About CVEA

Mission

To provide exceptional customer service through safe, reliable, cost-effective electric service and programs

Strategic Goals

- Build financial strength
- Maintain and improve system reliability
- Reduce dependence on fossil fuel
- Be an advocate for CVEA members
- Be the employer of choice

Assets and Facts

- CVEA is a stand alone electric cooperative, not interconnected to any other utility
- Employs 45 Alaskan employees
- Service territory roughly the size of West Virginia; 160 miles north to south and 100 miles east to west
- Over 540 miles of distribution and transmission line
- 9 substations and 5 power plants
 - Solomon Gulch Hydroelectric Plant
 - Allison Creek Hydroelectric Plant
 - Cogeneration Plant
 - Valdez Diesel Plant
 - Glennallen Diesel Plant
- SCADA system with remote control of all generating plants
- Serves roughly 2,800 residential and commercial members with over 4,000 meters in two service districts (Copper Basin and Valdez)
- Maintain offices and customer service support in both districts
- Density of 7 customers per mile
