

Notice of CVEA Tariff Changes

March 25, 2025

Copper Valley Electric Association's Board of Directors gives notice to its members of proposed Tariff changes. As proposed, the changes will be effective June 1, 2025. Below is a summary of the proposed changes.

- The main purpose of these Tariff changes is to re-instate the net metering credit in the summertime and to simplify language for members that are past due and delinquent.
- Other non-material changes – Updates for page numbers, website address, changing Ruralite to the E-Newsletter, Tariff dates, and definitions.
 - 2 – Definitions
 - Updated to allow one delinquency in credit letter
 - Expanded deferred payment agreement to include small commercial consumers
 - Past due/late/delinquent terms are synonymous when referencing unpaid accounts
 - A bill is past due when it is unpaid at the close of the subsequent billing cycle.
 - 6.9 – Deposit Waivers
 - A - Add language for NSF and meter tampering, and language for prepaid members
 - 7.2 – Line Extension Policy
 - B - Site Visit fee was added
 - G – Minimum kWh threshold was added; this could benefit more members in receiving the standard offering
 - 17.5 – Net Metering
 - Removed the January 1, 2017, date to reinstate the credit in the summer for all members
 - CV1 – Net Metering
 - Removed the January 1, 2017, date restriction from the rate schedule

A full, red-lined copy of the tariff changes is available at www.cvea.org
