5 p.m.  
Tuesday, April 15, 2025

# Agenda

- Tariff requirements / public meetings
- Review of non-material changes
- Detailed proposed Tariff changes
- Timeline
- Questions/comments

# Tariff Requirement

- Decisions on Tariff changes shall be based on the following standards:
  - Record developed through member comments or public hearings
  - Fair and nondiscriminatory treatment of all Cooperative members and customer classes
  - Rates shall be set to ensure the financial viability of the Cooperative
  - Statement by General Counsel on compliance

# Public Hearings

- The purpose is to present results, receive member comments and answer questions pertaining to the proposed changes
- The CVEA Board of Directors will consider comments when a vote is made
- The CVEA Board of Directors will issue its decision within thirty (30) days of the close of the public hearings or any continuance of public hearings

# Non-Material Changes

- Remove reference to tariff number and date the entire document
- Changing *Ruralite* to *e-Newsletter*
- Added references to the Prepaid program
- Remove reference to cashier's check
- Rates (no changes) remove references to prior years

# Non-Material Changes

## ● Definitions

- Updated to allow one delinquency in a credit letter
- Expanded deferred payment agreement to include small commercial consumers
- Past due / late delinquent terms are synonymous when referencing unpaid accounts

## 7.2 Line Extension Policy (p.30)

- Standard offering credit of \$5,000
  - > Minimum kWh threshold of 2,100 was added
  - > This could benefit more members in receiving the credit
- Site visit fee was added (p. 31)

# 10 Billing and Collections (p.51)

- Simplify language
- Past due / late / delinquent terms are synonymous
  - > Remove past due section
  - > Gives members and additional 5 days
    - Changed from 25 days to 30 so it is one full billing cycle

# 11 Resale of Electricity (p.61)

- Added boat harbor, RV park, and electric vehicle charging stations as eligible for resale

## 17.5 – Net Metering Billing (p.78)

- Re-instate the net metering credit with no restrictions
  - Currently those grandfathered in prior to January 1, 2017, receive the credit
