

CVEA Students Shine at 2014 Youth Rally

CVEA's Shelby Gudgell, of Valdez, and Taylor Vollman, of Kenny Lake, represented CVEA and the Alaska Power Association, along with five other students from Homer Electric and Kodiak Electric at the 2014 ICUA Idaho Youth Rally leadership camp in Caldwell, Idaho July 7-12.

Both CVEA students did a great job!

Shelby won a \$300 educational scholarship and was voted by her peers to return in a leadership role as Student Director in 2015. ■
